Welcome 2012!

A new year has arrived and the perfect time to revitalize your look.

Refresh your skin with a Cesta Facial, renew your look with a makeup lesson or a new lip colour. I have quite a few new changes lined up for 2012, with most of them happening over the next few months! The first is the revamped [Estore](#)... a place to reorder products or browse new ideas. The [BLOG](#) is a place to

find new ideas on makeup, spas, and more.

Featured Facial

C-Esta Facial

Tone, tighten and relax skin with this super charged facial. Vitamin C works wonders while green papaya removes unwanted problem spots. 50 min \$80 or with super peel 50 min \$95

Product Highlight

Becca Sheer Lip Colour... A collection of sheer, hydrating lipsticks with subtle shine in a palette of tones flattering for all skin tones, BECCA's Sheer Tint Lip Colour contains a cocktail of emollients and antioxidants such as Shea Butter, Cocoa Butter, Honey and Vitamin E, to moisturise and protect the lips while providing a smooth, even application of creamy colour.

Key Technologies

- Comes in a sleek metal case with a lid that twists and locks to the base for no-fuss travel and toting in your purse
- Deliciously scented with a natural light vanilla/caramel scent
- Infused with a moisturizing formula containing Shea Butter, Cocoa Butter, Honey and other essential fatty acids with natural anti-oxidants to leave lips soft and moisturized
- Delivers a sheer wash of colour with a soft, creamy shine
- Nourishing and non-drying
- Paraben free
- Sheer colours enhance the lip's natural tones
- Makes lips look healthy, moist and full
- Anti-feathering and anti-bleeding
